Thanks,

STEP #8

Copy and paste the entire activation link from your email into the address bar of a new browser window or tab. Once you open the link, you should receive an activation message. You are now ready to log in and schedule trips!

The screenshot shows a login interface with two input fields: 'Enter Username or Email' (with a person icon) and 'Password' (with a lock icon). Below these are 'Login' and 'Create Account' buttons. A 'Forgot Password' link is on the left. A modal window titled 'Account Activation' is open in the center, displaying the message 'Account is already activated. Please login to book a trip.' with an 'Ok' button.

Example shown: an account that is already activated.
